

MB202C BIRDING IN ALMANZA WITH GOURMET LUNCH

DISCOVER THE MOST THRILLING EXPERIENCES FOR BIRD LOVERS IN USHUAIA

Immerse yourself in an **EXCLUSIVE BIRDING TOUR IN ALMANZA** that combines the observation of unique species with the finest Fuegian cuisine at the renowned Almanza Gastronomic Pole. An unforgettable experience for all your senses!

GUIDED BY EXPERT BIRDING GUIDES, you will explore the most breathtaking landscapes of Ushuaia, uncovering the species that inhabit this remote corner of the world. Our first stop will be the sanitary landfill, an unexpectedly fascinating site where you can observe scavenger birds like the White-throated Caracara, Chimango Caracara, and Crested Caracara, feeding in areas influenced by human activity.

Next, we'll take National Route 3 and Provincial Route J, where the scenery transforms into a blend of forests and mountains. Here, you will spot iconic birds such as the legendary Andean Condor, the Patagonian Sierra Finch, the Magellanic Woodpecker, and many other remarkable species that thrive in the Andean landscapes.

After a gourmet lunch featuring the best of Fuegian flavors, you will continue to enjoy breathtaking views along the shores of the ****mythical Beagle Channel****, where the natural spectacle continues with sightings of seabirds like the ****Black-browed Albatross****, ****Southern Giant Petrel****, ****Rock Cormorant****, and ****Imperial Cormorant****, among many others.

Don't miss this unique opportunity to explore Ushuaia's wild nature with a gourmet twist!****** Contact us now to secure your place on this exclusive Birding Tour in Almanza with Gourmet Lunch.
