

-MB202 BIRDING IN THE DELTA DEL PARANA AND ENTRE RIOS-

PROGRAM: 2 Days / 1 Night

Day 1: Pick up at 6:00 hs in a prearranged location and drive to Villa Paranacito, at the northern edge of the Parana delta (2 hs). After lunch we will be birding in dry woodlands around Ceibas town. This is the best birding site near Buenos Aires; a well-known place for birders, which it was surveyed for the last 30 years. Normally on a spring day the total bird list here is over one hundred species. **Overnight:** Hotel in Ceibas

Day 2: Another morning in the Ceibas region. Today we drive along open meadows and marshlands looking for a different set of birds. This mix of habitats is the key to high regional diversity. **Return to Buenos Aires city at about 19:00 hs.**
